

# QSL DEFERRED PAYMENT SCHEME TERMS (2019 SEASON)

## 1 OVERVIEW

The timing of standard advances scheme payments to Participants for who QSL is conducting marketing is determined in accordance with Clause 6.1 of the QSL Common Pool Terms (the **Standard QSL Advances Scheme**).

In accordance with clause 6.2 of the QSL Common Pool Terms, QSL may determine accelerated advance and payment schemes other than the Standard QSL Advances Scheme which may be made available in respect of a Season to eligible Pricing Pools and/or eligible Participants as determined by QSL from time to time.

QSL has determined that for the 2019 Season, Eligible Participants in QSL Pricing Pools may apply to participate in an advances program that varies from the Standard QSL Advances Scheme (referred to as the **QSL Deferred Payment Scheme**).

These QSL Deferred Payment Scheme Terms set out the conditions for participation in the QSL Deferred Payment Scheme for the 2019 Season, and how advances will be paid and costs allocated to Participants who do participate.

## 2 QSL DEFERRED PAYMENT SCHEME
