2 INTERPRETATION

The Pricing Pool Terms will be interpreted in accordance with the following principles:

- (a) Headings are for convenience only and do not affect interpretation.
- (b) Mentioning anything after includes, including, for example, or similar expressions, does not limit what else might be included.
- (c) Nothing in the Pricing Pool Terms is to be interpreted against a party solely on the ground that the party put forward the Pricing Pool Terms or a relevant part of it.

The following rules apply unless the context requires otherwise.

- (d) The singular includes the plural, and the converse also applies.
- (e) A gender includes all genders.
- (f) If a word or phrase is defined, its other grammatical forms have a corresponding meaning.
- (g) Words and phrases used in the Pricing Pool Terms which have a generally accepted meaning in the Queensland sugar industry will be given that meaning.
- (h) A reference to a person includes a corporation, trust, partnership, unincorporated body or other entity, whether or not it comprises a separate legal entity.

POOL TERMS GLOSSARY (2019 SEASON)

- (i) A reference to a clause or section is a reference to a clause or section of the relevant part of the Pricing Pool Terms.
- (j) A reference to an agreement or document (including a reference to the Pricing Pool Terms) is to the agreement or document as amended, supplemented, novated or replaced, except to the extent prohibited by the Pricing Pool Terms or that other agreement or document, and includes the recitals and schedules to that agreement or document.
- (k) A reference to writing includes any method of representing or reproducing words, figures, drawings or symbols in a visible and tangible form.
- (l) A reference to an agreement includes any undertaking, deed, agreement and legally enforceable arrangement, whether or not in writing, and a reference to a document includes an agreement (as so defined) in writing and any certificate, notice, instrument and document of any kind.
